

Education Committee-July

CHAIR –Katie Giffin

COMMITTEE MEETING DATE – Goal every 2nd Wednesday of the month at 6:30pm at Blair IT.

WE WANT YOU for the Education Committee!

The desire of the ACW is to expand our current class offerings and provide a wider age range to support our youngest to oldest of Arts enthusiasts.

To support this endeavor, we have established an Education Committee. With our already very popular adult classes, both Sip & Sketch and Crafting w/the Council, we need to focus on WACKY (Westerville Arts Council Kid & Youth Workshops) offering and provide more classes for our younger artists.

Goal of this committee will be to help come up with monthly curriculum for all of the above-mentioned classes, finding new artists/teachers, interview and hire talent. Ongoing support with contracts and maintenance of supplies for all classes.

If you want to be part of this groundbreaking endeavor for ACW, please sign up today!
